In the real world, retail property development and leasing present **unique challenges** — from securing the right tenants to navigating complex property regulations. At **Retail Leasing & Developments (RLD)**, we **combine expertise with a personalised** approach, offering support from new shopping centre developments to lease management and strategic property acquisitions.

Welcome to RLD

Finding the right tenants can be challenging, especially with ever-changing market conditions.

That's where we come in.

As your **retail leasing partner**, we understand the demands of property management and work to streamline the process.

With **years of experience**, Retail Leasing & Developments handles everything from leasing strategies to shopping centre management and property acquisitions.

At the same time, **we're personal enough** to understand the unique needs of your property and **provide tailored solutions.**

Development

RLD offers end-to-end solutions from site selection to completion, designed to attract quality tenants and ensure successful shopping centre developments.

Re-Development

RLD assists in re-developing shopping centres, transforming outdated spaces into modern retail environments, enhancing tenant appeal and profitability.

Leasing

RLD specialises in shopping centre leasing, connecting landlords with quality tenants. We handle market analysis, lease negotiations, and optimise tenant mixes for success.

Tenant Co-Ordination

The Leasing Team meticulously records all tenant information, ensuring that every detail is accurately captured. This attention to detail is crucial for a smooth tenant co-ordination process.

Shopping Centre Management

RLD is able to take on the management of operations, tenant relations and the monthly generation and collection of rentals of your behalf tailor made to your specific requirements.

Consultancy Services

RLD offers consultancy services, giving clients tailored advice on retail leasing, development, management, or acquisitions. We provide solutions aligned with your goals.
